

After you learn to hit, it's time to learn to play the course. Where do I go? Where do I stand? What should I say? These are questions we get asked all of the time. Most new players know a little bit about the swing, but not much about golf etiquette. In this series, we will continue to work on the basics of the full swing and short game, and we'll also teach you to play responsibly. The first three classes will be on the hitting tee and in the short game area, and the last class will be on the course at Mariner's Point Golf Links with your instructor.

*Highlights of this Series:*

- *Full Swing and Short Game Principles*
- *Rules and Etiquette*
- *Pace of Play*
- *Reduced Rate for 2 Rounds of Golf at Mariner's Point Golf Links in San Mateo*

This class will meet on Wednesdays from 6:30-7:30pm beginning the first Wednesday of each month. Check your schedule to make sure you can make all of the sessions. Classes will only be rescheduled due to inclement weather.
